CUSTOMER DATA

Company name:	
Represented by:	
Street:	
ZIP code + City:	
Country:	
Tel / Fax:	
Email:	

GENERAL PROJECT DATA

Project name:	
Project location Country:	
Province/State:	
Nearest city or village:	
Owners name:	
Number of turbines:	

TURBINE CHARACTERISTICS

Rated output (200 / 250kW)	_____ kW
Survival wind speed	_____ m/s
Ambient temperature	Min. / Max.°Celsius
Tower type	Lattice or Tubular
Hub height	_____ m
Power regulation	Stall or Pitch
Frequency	
Which documents are necessary to obtain permission	

SITE CHARACTERISTICS

Coordinates (Google Earth)	___ ° ___ ' ___ " N ___ ° ___ ' ___ " E
Annual mean wind speed	m/s in ___ m height
Annual mean wind speed	measured, calculated, estimated
Altitude	___ m
Ambient temperature	Min. / Max.°Celsius
Site accessible for oversized trucks	
Shortest distance to electrical grid	
Voltage level electrical grid	
Frequency	
Telephone (GSM availability)	yes or no
Other important characteristics	

PROJECT STATUS

	READY	EXPECTED DATE
Building permit		
Environmental permit		
Environmental impact study		
Other permits		
Grid connection agreement		
Date of grid connection ready		
Power Purchase Agreement signed		
Financial close expected
